| G | Height from base to harness guide |
| M | Mounting width (side mount) |

RT4129 - RT9129

Surpassing the stringent demands of the FIA 8862-2009 standard, the 129 series is Racetech's no compromise pro-motorsport seat. Adept at cradling Bathurst winners and most of the Supercar competition, there is none better when it comes to comfort and safety.

FEATURES

- FIA homologated to 8862-2009 standards
- Back-fixing strengthens the chassis and enhances driver 'feel'
- Latest 'FHR-compatible' head restraint technology
- Air ducting at the lower back reduces driver core temperature
- Energy absorbing foam in critical areas
- Personal foam inserts available for unsurpassed comfort
- Brackets included for side mounting and back-fixing
- Includes fixing bosses at the head and shoulder for side nets
- 3D CAD model can be supplied (conditions apply)
